

The Gardens are open from dawn to dusk throughout the year.

Reception is open from April to October, from 10am to 5pm. Please visit Reception for information about the Gardens, plant sales and advice. Hot drinks are available for sale.

Support dogs only.

The Gardens are managed entirely by volunteers of the Lakeland Horticultural Society, a registered charity. We rely on contributions from members and garden visitors in order to maintain the Gardens.

A donation of £4 per adult visitor is recommended. Donations can be left in Reception or in the collection boxes outside Reception and next to the information board.

Alternatively, donations can be made by text (instructions on collection boxes).

**Thank you for visiting
Holehird Gardens.**

**We hope you enjoy your visit
and will come again. There is always
something to see, whatever the season.**
